A blurred background image of a Christmas scene. In the foreground, a young boy with brown hair is looking down, possibly at a game controller. To his right, another person is partially visible, holding a white Wii remote. In the background, a Christmas tree is decorated with lights and ornaments. The overall atmosphere is festive and cozy.

A screenshot from the video game Super Mario Bros. The scene shows a dark blue background with a brick wall at the top and a brick floor at the bottom. Four gold coins are floating in the air. The year '2007' is written in large white text in the center. Two characters, a Koopa and a Goomba, are visible on the floor.

2007

A screenshot from a video game showing a large explosion. A massive white and blue cloud of smoke and fire rises from the ground, with bright yellow and orange flames at the base. The year '2007' is written in large white text in the center.

The background of the entire slide is a dynamic, abstract image of an explosion or a bright fire. It features a large, billowing white and grey smoke cloud at the top center, with numerous bright, streaky lines radiating outwards in various directions, suggesting intense heat and light. The overall color palette is dominated by deep blues, purples, and greys, with the bright white of the smoke providing a strong contrast.

The background is a screenshot from the Super Mario Bros. video game, specifically an underwater level. It features a blue water environment with various sea anemones in shades of purple, pink, and blue. Several small yellow fish are swimming around. In the foreground, there are green pipes and a sandy bottom. The top of the screen shows the game's HUD: Mario's head with 'x04', Luigi's head with 'x06', three empty coin rings, a coin count of '56', a score of '001417630', and a timer of '369'.
